RE: Knob Noster Schools Closed January 20 & 21

Dear Parents/Guardians and Staff,

Unfortunately, the district continues to experience a large number of staff and student illnesses. In large part, staff absences make it difficult to appropriately maintain operations in the school district. Accordingly, we have decided to close Knob Noster Public Schools the remainder of this week and will not be in session on Thursday, January 20 and Friday, January 21, 2022. We will announce final decisions on making these days up at a later date.

We will not provide virtual learning (AMI days) during the closure. Sports teams will be allowed to participate in activities during the closure based on the current health of the individual teams. Families should expect communication from coaches regarding the status of scheduled games and activities.

As stated in Nurse Wissman's email message last week, staff and parents/guardians should continue sending reports of positive COVID cases and/or quarantines to [dwissman@knr8.net](mailto:dwissman@knr8.net) during closure.

We will reassess the situation over the weekend to determine if we are able to resume school on Monday. We appreciate your partnership and patience. If you have any questions or feedback, please feel free to reach out.

V/R,

Jerrod Wheeler, Ed.D.

Superintendent
