Parents/Guardians and Staff,

Our School District is committed to serving quality, nutritious meals to students and staff. Like many other school districts, grocery stores, and restaurants across the nation, we are experiencing supply chain issues and a shortage of delivery drivers.

We appreciate your patience and understanding. Our culinary teams are developing menu substitutions as needed. Rest assured, a free breakfast and lunch will continue to be available to all students.

We will continue publishing a monthly menu, however it will be tentative as we cannot rely on the stable supply chain we normally depend on.

To review the menus, please download the Knob Noster Public Schools app on your phone and tap the Menus icon, or visit www.knr8.org and the menus can be found on the quick link, Food Services.

Thank you for allowing us to feed your children!

Sincerely,

Jayne Sader
Director of Food Services
